

40 Days of Targeted Corporate Prayer

The Purpose: Lent is a sacred season of intentional withdrawal, self-denial, and repentance, designed to prepare the believer to participate in the death and resurrection of Jesus Christ fully. Since the beginning of the year was significantly focused on our time of fasting, this time is focused on two things: 1) the unity of our prayer as we're targeting the same issues, and 2) the resurrection power that is reaffirmed in this season.
